

Mission DefSpace: Open Challenge

This is to notify all that space-related proposals can be submitted on the iDEX Open Challenge portal by selecting “Mission DefSpace” under “Technology/Product - End User” list in the application form.

If you want to submit an application for one of the 40 Mission DefSpace Challenges not under iDEX, select “Mission Defspace” under “Technology/Product - End User” list and under “Innovation Title”, add “Challenge Number: Challenge Name” as mentioned in the list of 75 challenges.

Eg: *to apply under iDEX for “Transportable/Mobile Launch System for Small Satellite (upto 650 Kgs) with integrated Launch Control Centre”, the Innovation Title is “Challenge 1: Transportable/Mobile Launch System for Small Satellite (upto 650 Kgs) with integrated Launch Control Centre.”*

These proposals will be considered under “Open Challenge” category of iDEX, subject to iDEX guidelines only.
